League Play is the best way to play tennis! Local teams compete with each other and the winning team in each level advances to the state championship. League Play offers the opportunity to advance to state, sectional, and national championships. You must join the United States Tennis Association, Upper Cumberland Community Tennis Association and the League to play League Tennis. USTA offers single and multiyear memberships on a sliding scale for Adults, Juniors and Families. For more information about USTA membership, please visit [www.usta.com/membership](http://www.usta.com/membership).

# Why join the Community Tennis?

Membership is only \$15 for an individual or \$25 per family.

Being a member of UCCTA (Upper Cumberland Community Tennis Association), you will get discounted rates on all tennis events offered to the community. Your membership could easily pay for itself!

We understand that not everyone wants to compete and tennis is an opportunity to socialize and have fun. We will be offering social mixers, tennis round robin events, clinics and social team events throughout the season. We will have activities for every level of player from beginner to advanced. Our goal is to get you on the court and having fun!
